ABOUT

A dedicated engineering graduate skilled in Java, Spring Boot, SQL, and full-stack development. I am eager to apply my knowledge in an entry-level Software Developer role and contribute to real-world projects while improving my technical abilities.

EDUCATION

- **B.E. Electronics & Telecommunication Engineering** Dec 2021 – June 2025
North Maharashtra University, Jalgaon
CGPA: 8.24
- **HSC** June 2020 – Mar 2021
R.V. Junior College, Chalisgaon
Percentage: 84.67 %
- **SSC** June 2018 – Mar 2019
Dr. K. P. M. Vidyalaya, Chalisgaon
Percentage: 80.00 %

TECHNICAL SKILLS

- **Languages:** Java, JavaScript, SQL
- **Web-Technologies:** HTML, CSS
- **Backend:** JDBC API, Rest API, Spring Data JPA (Hibernate), Spring, Spring Boot
- **Tools:** Git, GitHub, Eclipse, IntelliJ IDEA, Postman, MySQL Workbench.
- **Database:** MySQL

PROJECT

- **Vehicle Booking Platform**
 - **Technologies:** Java, Spring Boot, MySQL, REST APIs
 - Developed a full-stack platform for vehicle search, booking, and management.
 - Designed and implemented REST APIs for users, vehicles, and booking modules.
 - Created database schema, entity relationships, and optimized SQL queries.
 - Added role-based access control (User/Admin) and server-side validation.
 - Implemented exception handling and modular service architecture.

INTERNSHIP

- **Vibrantminds Technologies** Pune
Full Stack Development Internship July 2025 – Present
 - Successfully completed an industry-oriented internship with hands-on exposure to frontend, backend, and database technologies.
 - Worked with HTML, CSS, JavaScript, Java (Spring Boot), and MySQL.
- **FUEL** Pune
Core Java Training Jan 2025 – Feb 2025
 - Completed **Core Java** programming language with certification.
 - Gained hands-on experience in OOP concepts.

CERTIFICATION

- Core Java Certification (FUEL Pune)
- Full Stack Development Course (Vibrantminds Technologies Pune)
- SQL Programming Certification (LinkedIn Learning)
